H570e Headset (UC Version)

For people who make their living on the phone, a comfortable headset makes every call more productive. The Logitech H570e headset delivers comfort day after day. Acoustic echo cancellation and digital signal processing (DSP) block out unwanted noise for clear conversations.

- **Crystal clear audio:** Noise-canceling microphone and acoustic echo cancellation are optimized to deliver crystal clear sound even in noisy workspaces
- **Intuitive inline controls:** Easily answer or end calls, adjust volume, and mute or unmute calls at your fingertips
- **USB plug-and-play:** Connect to a PC or Mac via its USB-A cable with no additional software required
- **Lightweight comfort:** The lightweight design, leatherette earpads, plus padded headband give you a “just-right” fit
